MAKE NETWORKING WORK FOR YOU!

Derek's actionable, easy-to-follow 5 Pillars of Purpose-Driven Networking will help even the most introverted person in the room feel like a power connector. Through real-life examples and practical tips, Derek will energize seasoned networkers and provide valuable guidelines for beginners.

Actionable takeaways

Walk away with tangible tips and an easy-to-follow plan to boost networking prowess.

Real experience

Derek has attended hundreds of events and met thousands of people. Learn from his tried-and-true methods.

Proper planning

Discover easy ways to prepare to meet new connections wherever they may happen. Preparation is, after all, the key to success.

Authenticity & passion

Let Derek unleash that same passion in your organization! He excels at helping people foster connections and discover their "why."

"Derek is a power networker and seeks to show others the secrets to productive networking and relationship building. His delivery is effective, his advice is valuable, and he is warm, empathetic and sincere. I highly recommend Derek for public speaking, training and as a go-to person to find valuable new business connections."

Jennette Smith Kotila
Chief Marketing Officer
MCCI

"Derek did a great job at our networking workshop. He provided our team practical, real life examples for successful goal setting and networking. Derek is highly engaging and is a real asset to our team with his coaching skills and post-workshop follow-up. I would highly recommend Derek as a training leader and public speaker."

John Thompson
Business Development Manager
Belle Tire
